The reason for which the permission of the Commissioner is sought for withdrawal of the attorneys/agents of record is that the attorneys have received conflicting instructions and/or information from different members of Nisvara's Board of Directors. In particular, there is a dispute among the members of the board. A first party of the board alleges that the employment of a second party of the board has been terminated. The second party alleges the first party is perpetrating fraud and that further support for and communication with the first party should be avoided. The disputing parties have placed the attorneys/agents of record in a position in which continued representation would likely either (i) violate attorney-client privilege and/or an obligation of confidentiality; or (ii) violate instructions to avoid supporting and communicating with the first party.

Notice of the attorney's request to withdraw is being sent simultaneously to the applicant and the relevant papers and files will immediately be sent the applicants at the above address upon approval of the request by the Commissioner.

At least thirty days remain for the applicant to take any action due in this case or an appropriate request for extension of time accompanies this request seeking additional time.
